NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Wounded Warriors Family Support, Inc. is a family orientated organization providing support to families of all branches of U.S. Armed Forces who have been wounded, injured or killed during combat operations. The families of these casualties suffer in many ways: some financially, some psychologically. The Organization has several programs to help mitigate their trauma allowing them to find peace and solace as a family once more.

The Organization's Mobility is Freedom Program is committed to providing grants to qualified wounded service members for the purchase of a vehicle or other conveyance equipment which, if necessary, includes handicapped modifications. The program aims to enhance the quality of life for wounded veterans by providing freedom and independence.

A Respite Caregiver Program provides respite and supplemental services nationwide to the caregivers and families of wounded war veterans. The program aims to ensure that family members who were thrust into the role of caregivers are provided with the support they need to keep their families intact while keeping themselves healthy.

The respite services include providing secondary caregiver assistance, respite aid for remote areas and short-term temporary relief in the form of child care and other services. The program also provides assistance in enrolling in the Department of Veterans Affairs Caregiver Support Services and other agencies offering resources and support.

The Organization has partnered with UAW-Ford to provide a training program in welding for U.S. Military veterans. UAW-Ford is offering a six-week Welding Training Program, where veterans will train and be tested to receive a welding certification.

Through its NAVSTAR program the Organization has donated several vehicles to Native American (Veteran) Tribes in an effort to provide safe and dependable transportation to VA facilities.

The Organization offers a unique Combat Wounded Parking Sign Program, free-of-charge, to establishments as a way of honoring and recognizing these veterans. Signs have been placed in the parking lots of businesses, churches, schools and colleges, government, and medical facilities. The response has been tremendous, stretching from coast-to-coast.

A Family Retreat Program provides a get-a-way for wounded veterans and their families. These retreats are a chance for wounded veterans to heal and reconnect with their loved ones in a peaceful, non-stress environment. Several retreats are held each year and are provided free-of-charge to those families attending.

These assets included the 80 acres of land and \$207,000 in prior year construction in progress originally incurred in year end 2019.

Also, assistance is provided for veteran's unmet needs which may be car repair, mortgage payment, food, travel, utility bills, rent, and any authorized unmet need.

Wounded Warriors Family Support, Inc. receives substantially all of its revenue as unrestricted contributions from individuals, private foundations and corporations, not limited to the regions in which it operates.

Financial Statement Presentation

Wounded Warriors Family Support, Inc. complies with ASU 2016-14 Presentation of Financial Statements of Not-for-Profit Entities and presents net assets classified at net assets with donor restrictions and net assets without donor restrictions. Wounded Warriors Family Support, Inc. has received a contribution with a donor-imposed restriction that has resulted in restricted net assets (See Note 6 & 8).

Lesser amounts are expensed. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets, as follows:

	<u>Years</u>

**NOTE 8- RESTRICTED ASSETS AND REVENUE**

Since donated land was received with a life estate provision, the land, life interest and associated revenue are reported as restricted due to the life interest's time restriction (life expectancy of the recipient of the life estate). This is the only known restriction and will exist until the expiration of the aforementioned recipient's life.
